

Plymouth & Brockton Street Railway Co. to hold Passage to Plymouth experience

PLYMOUTH — The Plymouth & Brockton Street Railway Co. will offer a Passage to Plymouth experience, which includes a motor coach ride to Plymouth that connects with the America's Hometown Shuttle for a narrated tour of the town and its historical attractions, from June 25, 2016 thru Aug. 28 2016, excluding July 4 and Aug. 27.

The Pilgrims took the first shuttle to Plymouth on the Mayflower, and now Boston tourists and residents can explore the historical attractions of America's Hometown via the Passage to Plymouth program. The daily Passage to Plymouth experience will begin at **8:15 a.m.** at South Station Bus Terminal, 700 Atlantic Ave., where passengers can purchase tickets at the P&B counter. After an hour-long motor coach ride, passengers will disembark and board the America's Hometown Shuttle, a vintage-style trolley awaiting them at the Park & Ride Lot on Route 3 in Plymouth. America's Hometown Shuttle tickets are offered at discounted rates for Passage to Plymouth riders at their booth located near Plymouth Rock.

Once aboard the trolley, passengers will hear stories about the arrival of the Mayflower, the trials and triumphs of the Pilgrims and the Native Americans who were already here. Passengers will visit and learn about the Plymouth waterfront, including Plymouth Rock, the Mayflower II, Plimoth Plantation, Pilgrim Hall Museum and Memorial Hall, 1820 Courthouse, Mayflower Society House, Leyden Street, Burial Hill, Brewster Gardens, the Plimoth Grist Mill, The National Monument to the Forefathers and Plymouth Beach.

Passengers who purchase an All Day ticket can hop on and off at any of the trolley stops to spend more time exploring museums and attractions, or to visit Plymouth's waterfront shops and restaurants. At the end of the day, Passage to Plymouth passengers will meet the trolley at the Plymouth Rock/Mayflower II stop at **4:50 p.m.** for a ride back to the Park & Ride Lot to board the bus to Boston, arriving at South Station at 6:10 p.m.

Those who wish to spend more time in Plymouth can take a taxi back to the Park & Ride Lot to catch a later P&B bus to Boston. The last bus departs at 9:15 p.m.
